

warnings from beyond the pdf

Silent Warnings (also known as Dark Harvest) is a 2003 science fiction/horror television film about a group of college students who begin finding crop circles by the house they have moved into. Following the disappearance of one of them, they begin suspecting something sinister. It was commissioned by Syfy (then known as Sci-Fi Channel), written and directed Christian McIntire, and stars ...

A trauma trigger is a psychological stimulus that prompts recall of a previous traumatic experience. The stimulus itself need not be frightening or traumatic and may be only indirectly or superficially reminiscent of an earlier traumatic incident, such as a scent or a piece of clothing. Triggers can be subtle and difficult to anticipate.
